AWANA

Approved Workmen Are Not Ashamed

www.AWANA.org

“Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.”

II Timothy 2:15 (NIV)

A Word From Pastor Travis

I'm so excited to have an AWANA Club at Connection Church! As our name indicates, we are all about building connections – connections between God and people, connections between one another, and connections between the church and the community. An AWANA Club is a great way to accomplish this in the lives of our children! At our AWANA Club, kids will learn to know Jesus better through Bible stories, lessons, and memorization. During game time, clubbers learn to compete in godly, healthy ways as they have fun developing life-learning team skills and building friendships with one another.

The benefits don't stop with our kids, though. The lessons learned at AWANAs can help parents and children in their connection with each other at home, too. And special events like the Grand Prix and Pie Night bring the whole family in on the fun.

What your kids learn and do at our AWANA Club will be more successful when families help with the process at home. By participating in the following activities, you can keep up with what your children are learning as well as reinforcing their growth in the Lord:

- (1) Encourage your child to come to all club meetings and activities.
- (2) Spend time working with your child on handbook sections (we suggest a brief 2-3 minute time segment each day).
- (3) Talk with your child about club activities: Let them 'report in'.
- (4) Encourage achievement by keeping track of your child's progress and providing praise.

Let us know about any special needs or concerns.

With your support and encouragement, and the enthusiasm of both the kids and our AWANA Club Team, we look forward to a very special year of fun and growth.

Thank you,

Pastor Travis

Welcome to AWANA!

AWANA is a very special program designed just for our child(ren). We want them to have fun, make new friends, and learn about the special life we can have as children of God.

Our AWANA program has clubs for children preschool through 5th grade. In each club children will compete with old and new friends in exciting games and learn from their leaders who will work with them on their handbooks. Encourage your children to study hard to earn awards to wear on their uniforms and to finish their book by the end of the year. They will have fun with our “Theme Nights” and special activities. But best of all, your children have God’s Word planted in their hearts to draw upon for a lifetime.

Each of the clubs has its own name, handbooks, and uniforms. The following list of the clubs will tell you which club they will attend:

T & T (Truth & Training)	3 rd -5 th grade
Sparks	K-2 nd grade
Cubbies	Ages 3 & 4

We look forward to a good year of growing, learning, and having fun together. Thanks for allowing us to work with your children and family in AWANA – we hope to see them every club meeting this year!

In Jesus’ love,

Connection Church AWANA Team

DUES

Dues for AWANA Clubs pay for the awards which will be received as each section is passed in the AWANA Handbooks and for book awards at the end of the year.

1 st Child	\$15.00
2 nd Child	\$10.00
3 rd Child	\$ 5.00
4 th Child+	Free

Your child will earn \$15 in AWANA bucks to spend at the AWANA Store if their dues and books are paid on or before September 28th.

One check can be written for a family. Please make check payable to Connection Church and give it to the club secretary at the check-in table for recording.

HANDBOOKS

The AWANA Handbooks have the sections which your child will work on and learn to earn his or her awards. We have handbooks available for all clubs which you can buy as they pass their entrance requirements or complete each book.

Handbooks for all ages are \$12.00

UNIFORMS

The AWANA uniform identifies which club your children belong to, provides a place to display the awards they earn, and shows others that they are a member of the AWANA Clubs. You will want to order a uniform for your children as soon as they complete the entrance requirements for their club.

Once they receive their uniforms, they should wear it to all club meetings. Uniforms should be clean and awards displayed proudly. Awards will be held in the AWANA office until a uniform has been purchased for proper award display. Extra points will be awarded if clubbers wear their uniforms to school. The cost of the uniforms are as follows:

T & T Jersey \$17.00 Sparks uniform vest \$12.00
Cubbies uniform vest \$12.00
Qualified children (those who have finished their entrance booklets) will receive their books and uniforms upon payment. A payment plan

can be set up if necessary. Please see club secretary or director or email the secretary.

If you need assistance with club costs, we have implemented an adopt-a-clubber program: see your club director or secretary for details or email pastortravis@connectionchurchlive.com .

AWANA Handbooks – What you should know:

The Handbook is a vital tool for your child's success in AWANA. It helps them to learn about the Lord and reinforces his positive moral standards. Please be sure your children have their handbooks weekly.

Clubber's Role

Here are a few things to remember:

- Clubbers must have their Handbooks at club to receive credit for sections passed that evening.
- No more than 2 helps per section are given in order to receive credit.
- Sections are passed when said to an AWANA leader or listener.
- In order to finish their handbooks by year-end, clubbers must pass 2 or 3 sections every week.
- Clubbers may be restricted to the number of sections passed because of the number of children present at club and/or number of helpers available. If the clubber is prepared with more sections, the leaders would be happy to assist them after club night is over to pass off extra sections.

Parent's Role How you can help:

- Help your children be disciplined by having them study 10-15 minutes per day in their handbooks.
- Do your best to explain the meaning of each verse. You will find that your children memorize more quickly when they understand what they are memorizing.
- Please initial next to the verses the sections you feel they are ready to recite.
- Bring your children every week and encourage them in their work.

- Write the words of verses on 3"x5" cards. Shuffle the cards and ask your children to arrange them in order.
- Write verses on poster boards or white boards and hang them around the house.
